

Request for volunteers for...
Music Business Challenge
at The College of Richard Collyer, Horsham
Monday 27th June 2011, 8.45 a.m. - 3.50 p.m.

What's in it for the students?

We will be working with Year 12 students (aged 16 – 17). The students will develop their employability and enterprise skills such as decision making, communication, team working and presentation. They will learn about how businesses operate and about the different departments within a business e.g. HR, Finance, Marketing etc.

What's in it for you?

This is a great opportunity to raise awareness of your business, develop students' skills for business, put something back into the local community and have some fun!

The Activity

Students will be tasked with creating a new music business. They must complete tasks covering five different areas: HR, Finance & Admin, Marketing, Products & Services and Premises. At the end of the challenge each team must produce a presentation and exhibition for display in the school hall. The business volunteers will be acting as consultants and offering advice during business meetings with the teams throughout the day. They will also act as judges at the end of the challenge.
